ABOUT ME

I am a third-year B.E. Computer Science and Engineering student at J.N.N. Institute of Engineering with a CGPA of 8.53. I have a strong interest in Java programming and software development. I am a quick learner who is passionate about learning new technologies and continuously improving my technical skills. As a fresher, I am eager to gain practical experience, enhance my problem-solving abilities, and contribute effectively to an organization while building a successful career as a Java Developer.

EDUCATION

Bachelor of Engineering: Computer Science and Engineering
J.N.N Institute of Engineering.
CGPA: 8.53
